

King County Boards and Commissions

Boards and commissions are designed to give citizens a voice in their government and provide a means of influencing decisions that shape the quality of life we in the Northwest enjoy. Whether your interests revolve around animal issues, recycling, transportation, or water quality, with over 50 groups or choose from, King County has something for everyone.

Each board/commission has a staff member who acts as a liaison between the board/commission and the King County Executive's Office. The staff liaison is responsible for coordinating the group's recruitment and forwarding names to the King County Executive, who makes the final selection. The King County Council confirms the Executive's appointments. Following is a list of Boards & Commissions for King County.
